

BDA Equestrian Terms & Conditions

ORDERING

During the week fresh semen must be ordered before 0900 Monday to Friday to ensure next day delivery. No delivery is possible on Sundays and bank holidays.

If a stallion becomes unavailable at short notice during the breeding season for any particular reason (competition, fully booked, sickness etc.), we will offer you frozen semen of your selected stallion. Stud fees are non-reimbursable.

Our breeding season ends at August 31st.

Semen ordering can be ordered via studservices@bdaequestrian.com or telephone Kelly +44 (0) 7831 839572

If you order by email always check in the morning by phone call if we received your order. We need complete information of the mare-owner, delivery address and the mare-details before delivery of the semen.

PAYMENT

We only ship out semen if we have received full payment for the following: Stud, Collection and Postage Fees before delivery. Payment can be done by bank transfer only.

If the mare is not in foal before the 1st of October 2019, we need an official and signed veterinarian statement stating the mare is not in foal. With this statement you can continue breeding for 50% of the studfee in 2020.

The transport of the semen is at the risk of the receiver.

FROZEN SEMEN

For information about which stallions are available with frozen semen you can contact studservices@bdaequestrian.com or telephone Kelly +44 (0) 7831 839572.

BDA Equestrian do not sell single straws, only pregnancies. All non-used straws must be returned to BDA Equestrian at the customers cost. The number of straws can differ per stallion. Each dose will contain the correct amount of straws required for one insemination. The number of straws is determined at BDA Equestrian.

All semen remains the property of BDA Equestrian. The selling of any unused semen is forbidden, as is the splitting of doses or straws. The customer agrees to pay BDA Equestrian an additional full stud fee for every used or unused straw not returned to BDA Equestrian.

LIABILITY

BDA Equestrian accept no liability whatsoever for damage, sickness or injury to people, animals, transportation or otherwise. Mares are inseminated entirely at the cost and risk of the owner.

The transport of the semen is at the risk of the customer/receiver.

By ordering and buying semen, the mare owner declares to have taken note of these conditions and declares to fully agree with these services and payment terms, as well as with the stud fees.
